EDUCATION

De La Salle University | Manila

- B.S. in Computer Science, major in Software Technology 2021 - Sept. 2025 (expected)

St. Scholastica's College | Manila

- Science, Technology, Engineering, and Mathematics 2019 - 2021

PROJECTS

Ping bot (Telegram, Python, Docker, MongoDB)

- Created a **Telegram** bot actively used by **150+ users** 24/7 and maintained for a year.
- Aided DLSU's official student publication for collaborative internal tasks and official coverages.

Residency bot (Discord, Javascript, Google Sheets API)

- Developed a **Discord** bot to record the online residency hours of users via activity in a voice channel.
- Built for the virtual office of an organization as an alternative to manual logs done onsite.

BagBuddy (Figma, Github Actions, Node.js, Express.js, Jest.js, Handlebars.js, HTML, CSS)

- Prototyped the **UI** of a web app and coded **test automations** to minimize development tasks.
- Collaborated in a scrum team of 6 members as a lead developer and analyst for a 3-month project.

Medical records data warehouse (MySQL Workbench, Jupyter notebook, Anaconda, Python)

- Analyzed a dataset of **5.6 million records** for the research of an electronics medical records software company.
- Debugged compatibility issues with the kernel, interpreter, and software used.

Product catalog website (CPanel, Node.js, Bootstrap.js, HTML, CSS, Wordpress, WooCommerce)

- Collected **165 emails** for newsletter subscriptions of a startup business.
- Presented an e-commerce website managed by entrepreneurs via Wordpress.

ACHIEVEMENTS

30 Best Website (organizational output) | DLSU Student Media Office and Student Media Council

- Made the De La Salle Brothers website nominated as "Best Website" for Gawad Midya 2023. Nov. 2023

WIEHack 4.0 Top 20 Team (hackathon) | Bharati Vidyapeeth's College of Engineering

- Proposed a mobile app for community waste management for the blockchain hackathon. May 2023

DOST-SEI UG Merit Scholar (scholarship) | Department of Science and Technology

- Recipient of the 2021 Undergraduate Merit Scholarship from DOST-SEI. Sept. 2021

EXPERIENCE

Web Staffer and Developer (student organization) | The LaSallian

- Designed with **Figma** for full-stack web development and CMS platforms **Wordpress** and **Ghost**. 2022 - 2024
- Managed the publication's social media accounts on X, Facebook, Instagram, and Telegram.
- Built multiple bots with **Linux** cloud hosting to automate tasks needed by the organization.

Web Developer (part-time) | Scire Essentials

- Led a team of 8 members to develop a **Facebook integrated app** and website on **CPanel**. Oct. 2023 - Dec. 2023

VOLUNTEER

Events and Special Services Committee | Lasallian Action for Institutional Development

- Ushered guests on official events held at the Philippine International Convention Center. 2022 - Present
- Volunteered at the Association de Damas de Filipinas following a fundraising project for children.
